**Re: Mariano Guerrero v. Jerome Meat & Produce Corporation, et al. 23-cv-3878**

Your Honor,

The parties have had discussions about the way in which their existing settlement agreement might be modified to comply with the Court order.

The Defendants have additional materials regarding their financial ability to pay and for discussion with Plaintiff about the limits of their ability to modify the agreement. If the Court would so permit, the parties would ask for an additional week to review the Defendants financial documents and to submit a motion.

The parties also intend to submit a consent to magistrate if permitted.

**GRANTED IN PART AND DENIED IN PART.** The parties' request for a one-week extension of the deadline to move for settlement approval is **GRANTED**. By **October 25, 2024**, the parties shall file their revised motion for settlement approval.

The parties' request for leave to file an untimely notice, consent, and reference of a civil action to a Magistrate Judge form is **DENIED**.

SO ORDERED.
